Leading me to my next statement:

Please know I STAND STRONG IN MY BELIEF IN YOU AND YOUR PROGRAM..... I of course have been bombarded with questions and copies of the article (which I have not even read through).

I remember people that are anti-spri (for various reasons) telling me that when "I got out" and had distance and wisdom I would look back and see how wrong I was and I have to tell you: I am almost 40, a mother of 4, a business woman and a spiritual person that sees it so clear. I don't agree with all your "previous girlfriends" BUT I am absolutely strong in my position you and your program are better than ever. I am excited my daughter may have the chance to play for you and hope you FIGHT THIS WITH THE SAME MENTALITY YOUR PLAYERS DO AT PRACTICE EVERY DAY.

I hope someone writes an article about how you changed their life for the better - I can think of 100 easily. If there is anything I can do just let me know. in Las Vegas right now for basketball - crazy fun!

Talk to you soon. My best to Cheryl and [REDACTED].

Hope you are well! Will the drama EVER end? I have to say your poise and class are remarkable. Your ability to continue to thrive is amazing - I continue to be in awe of this entire scandal but am so glad you just keep going - hope you can hang on until my daughter gets into the program (she is a lefty with hands almost as big as mine :)
