Rick,

First I just want to thank you for everything you've provided me with. Without you I'd never be where I'm headed for. You & Cheryl have given me so much I don't know how I can ever repay you. This year has been the worst year of my life and also my most successful year. Right now I don't know what kind of relationship we have. At the beginning I felt great about everything; now it's like I've screwed up so bad that I feel I mean nothing to you. I don't want it to end this way. I feel so bad that I've broken every rule we've had whether you believe me or not. Sometimes I get so frustrated that acting out of place makes me feel good at that time, but now look at me, I feel guilty as all hell. You've given me so much slack and so much pain but out of all the times I told myself I'm never gonna miss him it is now, <sup>like</sup> I'm gonna miss him.

I love you Cheryl very much and  
have become so adapted to living here  
I don't want to leave. Now it's like  
this is my home and once again I'm  
leaving a place where I feel comfortable  
in. It's time I moved on and  
I know what I have to do to be  
successful. I'm glad I stuck this  
year through and went through all  
the experiences. You've taught me a lot.  
Thank you for being here for me,  
but most of all for saving my life.  
Good luck for the rest of this year  
? I'll see you when I get back.

Love always,

  
#25 SPVB.
