Dear Mr. Butler:

Please accept this letter as a summary of the findings I have made as a result of four separate interviews and polygraph testing I have made of you and the one interview and polygraph testing performed on Cheryl Butler. Your dates of interview were the following: December 7, 1999, December 14, 1999, December 22, 1999, and January 4, 2000. Ms. Butler's appointment was on April 29, 1999. During the course of these five testings, it was my evaluation that there were no deception indication by either you or Ms. Butler. Further, my opinion in each instance of the separate testings was that you and Ms. Butler were truthful. The area tested concerned allegations made against you with respect to your sexual involvement with certain females. As indicated, the testing of you and Ms. Butler indicated that you were both truthful about this matter.

I thank you for the opportunity to have been of service to you.

Very truly yours,

Steve Theodore
Polygraph Examiner
